Vice-President's

As we approach the Thanksgiving Holiday, let us never forget all that we have to be thankful for as United States citizens. We enjoy freedoms and rights that are not available to citizens of most other countries.

Your club would like to thank all of those members who work so hard to make HHA what it is. Your club is volunteer run and managed. Many members dedicate a lot of time to many different areas and interests. Some of those efforts are behind the scenes and never really noticed by our members. All of this keeps costs down and makes membership in HHA enjoyable and affordable. It would be unfair to some to try and list all of those who volunteer their time and efforts for the benefit of HHA, if we tried to do that surely somebody would be missed. So again, a thank you to everybody for all that you do.

HHA has a large membership but the bulk of the work and volunteerism is done by only 5% of our membership. If you have an area of interest that you would like to get involved with or if you are interested in developing a new program at the club let an officer know. We can always use more assistance and new ideas.

Thanks to everybody for all that you do. Be Safe and VOTE.

A few members have been using B27 or other full body sized targets on the Indoor Pistol Range. Targets of this size are not allowed on the Indoor Pistol range for safety reasons. ANNUAL HH&A BIG BUCK CONTEST

With the beginning of another hunting season the annual HH&A Big Buck Contest is under way. It is open to all HH&A members that harvest a Pennsylvania whitetail buck. Scoring goes by a modified Boone & Crockett system. We will measure the inside spread, the length of beams and tines, and the circumferences, but there will not be deductions for a non-symmetric set of antlers.

There are categories for Archery (including crossbow), Rifle, Handgun and Black Powder in Junior (under 16), Adult, and Senior (62 and over). John Hoffer and Barry Peterson will score antlers by appointment. Please give either of us a call to schedule a date and time to get together. John can be reached at home at 652-7659 and Barry at home at 540-9372. The awards will be given out at the February general meeting, so all racks must be scored by January 15, 2017. We are working on prizes for the contest. Everyone that enters a rack will be eligible to win in the random drawing for some prizes so no matter the size of the buck you can register and be eligible for prizes.

Good luck, and hope to see you at the club.

SUNSET SHOOTING HOURS

As we go into fall and winter, keep in mind that all shooting on all outdoor ranges must stop at sunset. Absolutely no shooting on any outdoor range after sunset, even if you think it's not completely dark. Sunset hours are listed in the Newsletter, in the Newspaper, the Weather Channel, and it is available on smartphones. There is no excuse for violating a safety rule and shooting after sunset.

ANNOUNCING CHAMPS...COMPETITIVE HARRISBURG ASSOCIATION OF MARKSMANSHIP PROGRAMS

HHA has a new association in its midst, a 501(c)(3) non-profit organization called CHAMPs, or the Competitive Harrisburg Association of Marksmanship Programs. CHAMPs was established to support the competitive youth shooting programs at HHA, including the BB Gun Team, the Air Rifle/Smallbore Team, and other competitive youth shooting teams that are developed. These may include archery, pistol, shotgun and high power. The association promotes sportsmanship, and provides an environment where youth can develop qualities such as respect, discipline, leadership, and self-confidence. In addition, the competitors learn problem solving skills, and how to handle stressful situations. CHAMPs will provide an avenue for collaboration with other teams and coaches so youth can achieve their full potential through clinics and competitions, and receive additional training from outside coaches. The association will assist the youth teams with funding for equipment, supplies, and travel expenses. CHAMPs provides an avenue for competitors to learn how to properly compete in their discipline and achieve their full potential, whether it be competing on a club team, an NCAA team, or even higher...

WALT WISE RESULTS

This year, we had 140 shooters from FL, MA, MD, NJ, NY, PA, and VA compete in the 57th Annual Walter Wise Memorial Police Pistol Match held on September 17-18 at the outdoor Bullseye range. It was nice to see old friends and fellow shooters again!

After colors, three relays of Rimfire and Centerfire matches were shot each day. Khang Le from Chantilly, VA won the match for his 5th year in a row with a two-day aggregate score of 3596-272x. Paul Stathis from Springfield, VA was 2nd with 3591-226x, and Hiem Trang from Germantown, MD was in 3rd with 3587-260x.

In the 5-Man Team Matches, the Metro Pistol League team was the Grand Winner in both Rimfire and Centerfire.

In the 2-Man Team Rimfire Matches, Kent Le and Hiem Trang were the Class A Winners on Saturday, and Sunday.

In the 2-Man Team Centerfire Matches, Jerry Ford and Brian Keyser were the Class A Winners on Saturday, and Kent Le and Hiem Trang were the Class A Winners on Sunday.

In the Special Categories, Linda Newcomer was High Woman, Jenna Tomarelli was High Junior, Paul Stathis was High Senior, Barry Garver was High Grand Senior, Frank Zupancic was High Super Senior, Don Helms was High Police, and George Reichart was High Service.

In the special Commemorative Centerfire Revolver Match, Khang Le won with a score of 297-11x.

Three Standing Records were broken at the match. Kyler Swisher set a new record in Junior Rimfire Aggregate with an 896-50x. Barry Garver broke his previous Grand Senior Rimfire Aggregate record on Saturday with an 895-45x, and then broke it again on Sunday with an 896-48x! And lastly, Joseph Gerhard set a new record in Super Senior Centerfire with an 870-29x.

Another Standing Record was tied. Khang Le shot a 200-20x Slowfire match in Rimfire! He now shares the record with 2 others.

Congratulations to all, and thanks to everyone who attended. We appreciate your participation and hope to see you again next year.

Special thanks go out to the many volunteers who helped make the match a success, including those who did registration, squadding, range preparation/setup/teardown, line calling, range safety, score card processing, data entry and reporting, awards, t-shirt and raffle sales, and meal preparation and service. You are the ones who make it happen, and your dedication and hard work are greatly appreciated. We certainly could not hold an event of this magnitude without you! Thanks, everyone!!!!

Follow the links on our web site to check the detailed match results, photos taken at the event, and standing records.

Next year's match will be held on September 16-17, 2017. Please mark your calendars and plan on coming to shoot with us again. Feel free to bring some new shooters with you to share in the fun! Our match is open to the public.

Special Notice

Significant improvements are being made to the earth backstops for the 25/50-yard, 100-yard, and outdoor pistol ranges. This ongoing work may happen on any day and is not scheduled ahead of time. Therefore, it cannot be reflected in this Range Events Schedule.

Please expect that until this work is completed, you might have to change your plans upon arriving at the club. For instance, you might be able to use the 25/50-yard range but not the 100-yard. Or you might have to wait until the work is completed for the day. Or you might not be able to shoot on any of these ranges. The workers continue to only close the ranges necessary to keep them safe. Be patient and expect delays.

As always, range safety comes first. Please show the workers the safety and courtesy they deserve. Thanks.

REMINDER

No shooting is allowed after sunset on the outdoor ranges at the club! Sunset times for the month are listed near the calendar section of the newsletter.

As the new year approaches, please review your club's range rules. We have been seeing an uptick in rule violations; whether it being shooting after hours, or where to shoot what gun, all rules are in place for everyone's safety. Depending on the severity of the violation, you could lose your privilege to use the facilities at HH&A. The BOD has terminated memberships in the past; don't risk your membership. **KNOW the rules!!!!**

Remember — 24 hour video surveillance is in use in all areas of the club.

BRASS RECYCLING PROGRAM

When at the ranges, please utilize the buckets provided for spent brass.

This brass is recycled and all funds are used to help fund all of the club's growing youth programs. We recycle this brass in two ways. All brass not suitable for reloading is sold to a salvage company, and the good brass is sold to re-loaders in the membership at very good prices.

So, when at the ranges, please remember to support our youth programs and keep your ranges looking good by placing your spent brass in the brass buckets. Please do not place steel, aluminum, loaded cases or garbage in these buckets. Brass only!!

Thank you for your support of your club's youth programs.
