### President's Pen

We are already half way thru summer; wow time is flying by and soon your membership renewal time will be here (OCTOBER 1).

Please put it on your calendar now to renew early in the renewal period (from October to January). This will ensure you have uninterrupted range access and it makes processing the renewals smoother as there is always a large number of members who forget and then we get slammed in January.

If you send your renewal in after January 1st, expect long delays in getting your new card.

See you at the club.  
Jerry

These rules also mean that you must plan ahead to obtain a guest pass. Guest passes may be purchased for \$10.00 from:

## Special Notice

Significant improvements are being made to the earth backstops for the 25/50-yard, 100-yard, and outdoor pistol ranges. This ongoing work may happen on any day and is not scheduled ahead of time. Therefore, it cannot be reflected in this Range Events Schedule.

Please expect that until this work is completed, you might have to change your plans upon arriving at the club. For instance, you might be able to use the 25/50-yard range but not the 100-yard. Or you might have to wait until the work is completed for the day. Or you might not be able to shoot on any of these ranges. The workers continue to only close the ranges necessary to keep them safe. Be patient and expect delays.

As always, range safety comes first. Please show the workers the safety and courtesy they deserve. Thanks.

### BRASS RECYCLING PROGRAM

When at the ranges, please utilize the buckets provided for spent brass.

This brass is recycled and all funds are used to help fund all of the club's growing youth programs. We recycle this brass in two ways. All brass not suitable for reloading is sold to a salvage company, and the good brass is sold to re-loaders in the membership at very good prices.

So, when at the ranges, please remember to support our youth programs and keep your ranges looking good by placing your spent brass in the brass buckets. Please do not place steel, aluminum, loaded cases or garbage in these buckets. Brass only!!

Thank you for your support of your club's youth programs.
