George A. Bibikos

GA BIBIKOS LLC

www.gabibikos.com

Club member and attorney George Bibikos keeps tabs on legal developments that may be of interest to HHA and its members. Here's the latest:

ATF Proposals to Regulate Frames and Receivers and Stabilizers. HHA submitted formal comments to ATF's proposed regulations that would give the federal government new and expansive authority to regulate certain gun parts as though they were fully assembled firearms and to regulate firearms that use stabilizers or braces as though they are fully assembled rifles. [Click here](#) and [here](#) to access the comments submitted by HHA.

Federal Court Blocks Township Ordinance that Restricts Gun Club Operations. In a case called Drummond v. Robinson Township, a federal court in western Pennsylvania stopped a township from enforcing a local ordinance that attempted to restrict the operation of a local gun club. The case is pending. [Click here](#) for a copy of the court's opinion.

Supreme Court Hears Challenge to NY License-to-Carry Law. The United States Supreme Court heard oral argument in a case initiated by New York residents challenging the constitutionality of state law restricting gun licenses to only those persons who face a severe threat to their lives. INDOOR NOVELTY SHOOTS

We will be holding our 2022 winter Novelty Shoots at the Indoor Pistol Range on the following Sundays, from 1:00 p.m. to approximately 3:30 p.m., using handguns:

January 9 - .22 Rimfire Match

February 13 - .22 Rimfire Match

March 13 - Centerfire Match, using .380, 9mm, or .38 caliber

(Note: Rimfire is welcome, but Centerfire scores better!)

As usual, we will be shooting paper Luck Targets (e.g., poker cards, random numbers, bowling pins, coins, pool balls, dart boards, bullseyes, etc.) at 50 feet. Revolvers and semi-autos may be used.

Red dots are allowed. No holster required. Two-hand hold is ok. Usually 5 shots per target per relay, and about 8 relays.

Cost is \$2 per relay, with a 50% payback to the shooters using the Lewis Classification System. Shoot as many relays as you like.

First-time shooters are WELCOME and our matches are open to the public. Come on out and join us for some fun, and bring a shooting friend with you.

LOOK UP

... and check out the club's recently installed cupola and eagle weathervane, fully equipped with lightning protection!

On the Great Seal of the United States, a bald eagle majestically spreads his wings in a show of power. The bird represents freedom, thanks to its ability to soar through the skies. They are unique to North America, making them our eagle; they are strong and independent; they are survivors. They are majestic, bold, and faithful. They are a symbol of strength and determination. BRASS RECYCLING PROGRAM

When at the ranges, please utilize the recycling buckets provided for spent brass, steel and aluminum cases. You can throw them all in the same recycle bucket since we recycle all three types of cases now.

We recycle the brass in two ways: (1) we sort by caliber and sell all brass suitable for reloading to club members at very good prices, and (2) we sell the remainder, along with the steel and aluminum cases, to a salvage company.

All funds made from sales and recycling are used to help fund the club's growing youth programs. Thank you for your continued support.
