### BRASS RECYCLING PROGRAM

When at the ranges, please utilize the buckets provided for spent brass.

This brass is recycled and all funds are used to help fund all of the club's growing youth programs. We recycle this brass in two ways. All brass not suitable for reloading is sold to a salvage company, and the good brass is sold to re-loaders in the membership at very good prices.

So, when at the ranges, please remember to support our youth programs and keep your ranges looking good by placing your spent brass in the brass buckets. Please do not place steel, aluminum, loaded cases or garbage in these buckets. Brass only!!

Thank you for your support of your club's youth programs.
