

# HARRISBURG HUNTERS AND ANGLERS

## MEMBERS AND GUESTS

**On Sunday, June 1, 2025, HHA will host a 4-hour CPR/AED/First Aid training session through the Peyton Walker Foundation.**

**Survival from a sudden cardiac event can be as high as 90% if treatment starts within the first minutes after the arrest occurs.**

**Calling 911 is only the first step in insuring survival.**

**Attendees at this session will learn the fundamental information & training needed if Sudden Cardiac Arrest occurs.**

**The course will start at 2:00 pm and end at 6:00 pm. The cost is \$25 /per person. Following completion of the course, attendees will receive a workbook to take home and a two-year certification for CPR/AED/First Aid for Adults and Children.**

**This event is open to those needing to renew their certification from 2023 or for first time attenders. The trainer, Bill Odoms, is a member of HHA and is offering a discounted session for our club.**

**Those interested must pre-register by emailing [ndrtkr@comcast.net](mailto:ndrtkr@comcast.net). Payment may be made at the door or mailed in advance to HHA.**
