## SPECIAL NOTICE

HHA respects the health and safety of club members, guests, students, etc. and wanted to provide an update on our COVID-19 preparedness and be ahead of the curve to be healthy, and unafraid.

As a matter of safety for all members and the public, effective 3/17/2020 all organized events, educational classes, matches, leagues and practices are canceled until April 1, at which time we will review the situation to determine what will be done moving forward.

Also the clubhouse, indoor archery range and indoor pistol range are also closed and will not be accessible to the membership.

All outdoor ranges will remain open.

All members key cards will be adjusted to not allow access to the building or indoor pistol range.

Club membership meeting scheduled for April 7th is cancelled.

We are sorry for any inconvenience and will provide additional information as things evolve. We look forward to resuming a normal schedule and will keep everyone informed, but in the meantime, please take the best care.

Thank you for your understanding,  
Jerry

### BRASS RECYCLING PROGRAM

When at the ranges, please utilize the buckets provided for spent brass.

This brass is recycled and all funds are used to help fund all of the club's growing youth programs. We recycle this brass in two ways. All brass not suitable for reloading is sold to a salvage company, and the good brass is sold to re-loaders in the membership at very good prices.

So, when at the ranges, please remember to support our youth programs and keep your ranges looking good by placing your spent brass in the brass buckets. Please do not place steel, aluminum, loaded cases or garbage in these buckets. Brass only!!

Thank you for your support of your club's youth programs.
