COMPETITIVE JUNIOR AIR RIFLE

HHA's Junior Air Rifle program has continued to move forward in developing the junior air rifle program into a program that will take your shooters to the college level. Your shooter will start out in sporter air rifle, then move into precision and smallbore, which is what colleges want. The nature of this program is to develop competitive junior shooters. This program's season of shooting does range from September 2016 through July 2017, depending on how serious the shooter wants to be. This is a great time to have your shooter join this program as we grow.

We are looking for youth aged 12 to 18. Ages 10 and 11 will be accepted depending on the safe ability to handle an air rifle. Fundraising is necessary. The program meets every Monday from 6:30 to 8:30 pm starting on 9/12. New shooters must complete an NRA Basic Rifle shooting course, and this will begin on 9/12 and continue on 9/19, 9/26 and 10/3.

Please expect that until this work is completed, you might have to change your plans upon arriving at the club. For instance, you might be able to use the 25/50-yard range but not the 100-yard. Or you might have to wait until the work is completed for the day. Or you might not be able to shoot on any of these ranges. The workers continue to only close the ranges necessary to keep them safe. Be patient and expect delays.

As always, range safety comes first. Please show the workers the safety and courtesy they deserve. Thanks.
