

Striker-Fire Challenge – Match Flyer

WHAT: Semi-Auto Combat Pistol Match, using Striker-Fired Pistols (centerfire only).

WHEN: April 29, June 24, July 29, September 30, and October 28, 2023.

TIME: Range setup and registration begins at 8:00 a.m. Safety and procedural briefing at 8:45 a.m. Relay 1 at 9:00 a.m. We are usually done by noon.

WHERE: PPC Range #2 at Harrisburg Hunters' & Anglers' Association, Harrisburg, PA.

FEE: \$10 per relay. Five relays. Shoot as many as you like, pending availability of space.

GUN CLASSES: Stock Class (Iron Sights), Open Class (Optics), and Concealed Carry Class (≤ 3.7 " barrel, Iron Sights).

COURSE OF FIRE: Stock and Open Classes - 50 rounds, rapid fire. Shoot 10 rounds each in 15 seconds at 5, 7, 10, 15, and 25 yards. Concealed Carry - 40 rounds, rapid fire. Shoot 10 rounds (2 magazines with 5 rounds each and a reload at each stage) in 15 seconds at 5, 7, 10, and 15 yards. All firing starts from a low-ready position with loaded gun in-hand.

TARGET: NRA D-1 (P) tombstone paper target.

EQUIPMENT: Any safe, striker-fired centerfire pistol may be used. At least 2 magazines (more is better) loaded with 10 rounds each (5 rounds each for Concealed Carry) are required. Time will be allowed after each firing line to reload magazines as needed.

AMMUNITION: Any safe factory or hand-loaded ammunition may be used.

AWARDS: Cash awards for each Gun Class are determined using the Lewis Classification System. Number of Lewis Classes established are based on total number of shooters in a given Gun Class (1 Lewis Class for every 10 shooters). Awards for 1st, 2nd, and 3rd Places are given for each Lewis Class. Also, Certificates of Achievement are given to anyone who sets or ties a Striker-Fire Challenge Standing Record, and to anyone who scores a perfect score (Honorary 500 Club for Stock and Open, or Honorary 400 Club for Concealed Carry) in the match.

SAFETY: Safety is paramount. We run a cold range. All guns must be brought to the range unloaded and holstered or bagged, and kept that way until you are called to the firing line and are under control of the Range Officer running the match. A mandatory safety briefing is provided to all shooters prior to the start of the matches. Ear and eye protection are required.
